To Parents:

Your child has expressed a desire to serve on the AAA School Safety Patrol. Service in the patrol is voluntary and open to all interested students. Duties will require a short amount of time each day, before and after school. Members are selected for their courtesy, dependability, interest in their job, ability to perform their duties, attitude toward others and scholastic standing.

The primary aims of the AAA School Safety Patrol program are:

- To help children cross streets safely on their way to and from school. Patrollers direct children, not traffic.
- To help children become safer pedestrians.
- To foster qualities of leadership and good citizenship in Patrollers.

Serving on AAA's School Safety Patrol is an honored position. Patrollers must follow the above expectations to maintain their involvement with the program. Students who fail to meet the expectations may be suspended or removed from their position. If disciplinary action is necessary, your full cooperation is appreciated. With your endorsement, your child will shoulder responsibilities that will strengthen character and develop leadership.
